

SUNSCREEN APPLICATION

SUNSCREEN APPLICATION FOR THE MONTHS OF JUNE, JULY AND AUGUST.

CHILD'S NAME: _____

I fully understand that sunscreen must be applied to my child for the months of June, July and August before arriving at Camp. The sunscreen should be 30 to 50 spf, waterproof and last for 2 hours or longer.

If you feel your child should have more sunscreen applied during the day, you will need to fill out the request for Administration of Medication for Child Care Form and bring in the sunscreen in the original container. The expiration date must be current, and the child's name must be on the container.
